Re: NACIP Confirmation Study, Marine Corps Base, Camp Lejeune

Gentlemen:

As discussed in a telephone conversation between Jim Holdaway and Cherryl Barnett of July 19, 1986, we are enclosing the scope of work for additional NACIP efforts at Camp Lejeune. We hope you will have a chance to review this prior to our meeting of July 31, 1986, and that it may answer some of your comments on our previous submittal, the Round One Sampling report. We anticipate the NACIP contractor, Environmental Science and Engineering, Incorporated, beginning these efforts in the August/September timeframe.

Sincerely,

J. R. BAILEY, P.E.
Head, Environmental Quality Branch
Utilities, Energy and Environmental
Division
By direction of the Commander
